PROGRAM

The West Dominica Children's Federation is a non-government organization working on behalf of children in over 50 communities on the West Coast of Dominica. We serve children and families by implementing programs that target the following five priority issues: Alcohol & Drugs, Sexual Abuse, Unemployment, Teenage Pregnancy, and Violence.

Our programming approach falls into three life stage categories: 0-5, 6-14, and 15-24 years which increase the access to a more informed and nurturing life experience allowing them to make better choices for themselves and their families.

For the first time in thirty years the federation is seeking support from civil society and corporate partners to help meet program costs of the federation's future core program areas. We are actively seeking mutually beneficial collaborations with persons and organizations who has a commitment to helping the deprived, excluded and vulnerable of our society.

As a WDCF support investor you benefit in many ways, impacting the lives of the country's children and youth, the future leaders of tomorrow.

consider partnering with the federation in providing any gift in kind donations and monetary donations which can be sent to the account of the federation, details of which can be provided.
